## *A thing of beauty is a joy forever.*

The site is spectacular and the house even more so.

At every turn, there is a surprise.

The original design was by a Frank Lloyd Wright Taliesin apprentice.

Wright's style and spirit are evident everywhere.

Dramatic ceiling effects, windows, staircases, hand rails, cabinetry.

Everything is impressive, but with cozy, comfortable ambience.

**You can feel the quality.**

The grounds, the decks, the landscaping, the views are all outstanding. There is a barn/studio, a hot tub, Petanque court and lighting designed to enhance everything important both inside and out.

**Offered on +/- 16 acres for \$1,300,000.**

Located on the Canaan/Berkshire border.

Don't miss this one!

***A work of art!***
